

Dear Participant,

We invite you to the meeting for a focus group organized by University of Split (FESB) on the theme of digital & open e-government. In this focus group meeting we want to explore different scenarios that concern the future of digital services by 2030. We would appreciate your contribution and expertise to create a vision for the development of future digital services in Split.

In this focus group, we invite experts (business, technical or NGO), public service personnel and experienced digital service developers to discuss and talk about the future of digital open e-government. During focus group discussions, participants will develop different future scenarios that the participants in the focus group will take a position to create a vision of future of digital services by 2030.

Similar focus groups have been implemented within the framework of the project Clarity project in the Sweden, Netherlands and Spain (<https://clarity-csa.eu>). You will subsequently get access to the material compiled from all focus groups.

**Location:** FESB, Room PH3 (3<sup>rd</sup> floor),  
R. Boskovicica 32, Split

**Date and Time:** 10:00-13:00 on 19<sup>th</sup> of July.
